

## Procurement of Natural Gas for Moldova due to Emergency Situation

Following the National Commission for Exceptional Situations of October 22, 2021, the state of emergency was announced regarding the natural gas sector. The government has requested Energocom, a company 100% owned by the State of Moldova, to prepare the purchase of natural gas to be supplied at Moldovan border.

**Today, Energocom is kindly inviting suppliers to submit a binding offer for the tender with the following characteristics:**
